

Honor Our Fallen Heroes With Your License Plates!

Those interested in obtaining these Fallen Heroes license plates can obtain our PayPal receipt by making a one-time \$50.00 donation to [Colorado Concerns of Police Survivors \(C.O.P.S.\)](#) to support its programs for surviving spouses, children, parents, siblings and other family members as well as affected co-workers.

First make your donation using the donate button on the license plates page of the [Colorado C.O.P.S.](#) website at: www.coloradocops.org/license.html (This is a one-time \$50.00 donation). Be sure to print out your receipt from PayPal to take to DMV.

Then take that PayPal receipt to your local Colorado Division of Motor Vehicles office to obtain your plates. The \$50.00 one-time donation is in addition to the \$50.00 one-time DMV fee for purchasing a specialty license plate. All other normal DMV license fees and taxes will still apply.

PLEASE NOTE:

When you make a donation to Colorado COPS for the Fallen Hero license plates through our PayPal system, the name on your payment must match the name of the person who is registering the license plates. This means that if you have a PayPal account for your business or some other purpose that has a name other than the one that is on your identification, please use the credit card option so that the clerk at the Colorado Department of Revenue, Division of Motor Vehicles, can match the name from your donation receipt to the vehicle registration. **Thank you for your support!**

[Concerns of Police Survivors, Inc. \(C.O.P.S.\)](#) contributes to the emotional and psychological well-being of the surviving family and fellow co-workers following a law enforcement line-of-duty death. Through our national board and local chapters of survivors, C.O.P.S. provides support and services immediately after the officer's death and continues support with national and local programs. The [Colorado C.O.P.S. Chapter](#) provides hope and services to those families of officers killed here in Colorado and allows survivors to connect with people locally who have survived similar devastation.
